

Converse College Alumnae and Graduate Alumni Directory Project

Converse Alumnae and Graduate Alumni will be contacted by PCI to verify information and to reserve a copy of the new directory.

The Alumnae Office is pleased to announce that an update of the Converse Alumnae Directory is underway! Our latest edition will include undergraduate alumnae and graduate alumni.

Publishing Concepts (PCI), a data processing and publishing company, will be contacting all Converse undergraduate alumnae and graduate alumni via postcard, email and telephone to verify basic contact information. The collection of information will begin November 2008. Please be assured that any contact you receive requesting an update of your information is legitimate, and you may be confident that your personal information will ONLY be used for the new directory.

Please note the following important information:

- Please respond as quickly as possible to the first request for updated information. That will help ensure you do not receive further contact from PCI.
- When you provide your updated contact information to PCI, you will also be given the opportunity to purchase the new directory, which will be available in **Fall 2009**. PCI will only print the number requested, so we encourage you to reserve your copy at the time you update your information.
- Participating in this update helps Converse to produce an accurate and comprehensive directory of both our undergraduate alumnae and our graduate alumni. It also provides Converse valuable information about career paths and networking, geographic distribution and post-graduate educational achievement.
- The directory is the best way to locate former friends and classmates and to also locate local alumnae/i in your geographic area.

If you have any questions or concerns, please do not hesitate to contact Jane Marion Wilson '04, Director of Alumnae, at jane.wilson@converse.edu or **1-800-584-9098**.
