## 2015-2016 Administration and Supervision Community Relation Plan

Candidates develop a comprehensive plan for improving the school/community relations of a defined school with specifically defined issues. The plan will be based on background information, i.e., demographics, student achievement, community support, parental involvement, facilities, funding, etc. This plan will focus on impact decisions; have an internal and external public and how communication and relationships influence school improvement. The plan will also define the roles of different staff members in carrying out the plan.
