Converse College Education Department Ideal Educator Rating Scale Assessment for All Students Enrolled in 2015-2016 Major Education Field Experiences

Ideal Educator rating scales are used to evaluate Converse College Teacher Candidates and Student Teachers at the end of a field experiences. Evaluations are completed by the (1) Introduction to Education course professors, (2) clinical methods course professors, (3) cooperating teachers and (4) college supervisors. These evaluations provide aggregated data on knowledge, skills and dispositions and are aligned with the Converse College Unit Standards. Data is collected at the close of each term through Converse's Electronic System powered by Livetext. Students are rated using the following scale:

- 4=Exemplary:** The candidate understands this skill/disposition and fully and effectively demonstrates it.
- 3=competent:** The candidate understands this skill/disposition and is able to demonstrate it independently.
- 2=Developing:** The candidate knows about this skill/disposition and is able to demonstrate it with assistance
- 1=Beginning:** The candidate knows very little about this skill/disposition.
