

TAKE THE NEXT STEP IN YOUR ACADEMIC JOURNEY

Converse University's articulation agreement with Spartanburg Community College makes transferring easy!

At Converse, opportunities don't just happen. We create them. We are ready to support you with the education you need to prepare for both today and tomorrow.

Our students are leaders, creative thinkers, and doers who are looking for more from their college experience.

Where are you in your academic journey?

- I have completed/will complete an AA or AS degree from SCC, and I would like to continue my education at Converse University.**

Great news! You now have the opportunity to enter Converse with your General Education Program (GEP) requirements satisfied toward the completion of a Bachelor of Arts, Bachelor of Fine Arts, or Bachelor of Science degree*. You will be admitted to Converse with Junior standing at registration and have opportunities for financial aid. Get started right away in your intended major knowing your GEP requirements are covered and your four-year degree is in sight!

- I have taken courses at SCC, but will not complete a degree, and I want to transfer to Converse.**

Still great news! Converse has partnered with Spartanburg Community College to simplify your credit transfer.** Review how your SCC credits can transfer at converse.edu/transfer and use the worksheet linked below to see how the agreement above transfers credit toward Converse's GEP which is required of all majors.

Wherever you are in your college studies, we will work with you to make your transfer experience simple. To learn more, scan the QR Code or connect with your admissions counselor, Torey, at victoria.green@converse.edu.

**Subject to the terms of the agreement. ** Subject to the course by course articulation.*
